

Sales Policy

Opportunity management, pricing, discounts, contracts, commissions, and customer information

Organization: Asterion Technologies Pvt. Ltd.

Effective Date: 1 January 2026

Document Status: Internal Policy — Version 1.0

1. Purpose and Scope

This Sales Policy defines standards for customer engagement, opportunity management, pricing approvals, discounts, contracts, sales incentives, and customer information.

It applies to Sales, Business Development, Account Management, and other employees involved in revenue-generating activities.

2. Customer and Opportunity Management

- All qualified opportunities must be recorded in the approved CRM system.
- Opportunity records should contain the customer, owner, expected value, stage, expected close date, and relevant next action.
- Sales representatives must maintain accurate and timely CRM information.

3. Pricing and Discounts

Discount Level	Approval
Up to 5%	Sales Representative within approved price list
5.01%–15%	Sales Manager
15.01%–25%	Sales Director
Above 25%	Chief Revenue Officer + Finance

- Discounts must not be represented to customers as permanent pricing unless the commercial terms expressly state so.

4. Contracts and Commitments

- Only authorized signatories may execute contracts on behalf of the company.
- Sales personnel must not promise product capabilities, delivery dates, refunds, or service levels outside approved commercial terms.
- Material non-standard contractual terms must be reviewed by Legal and Finance before signature.

5. Sales Commissions

- Commission eligibility is determined by the applicable sales compensation plan.
- Commission calculations are based on recognized qualifying sales according to Finance-approved rules.

- Disputed commission calculations should be raised with Sales Operations within 30 days of the relevant statement.

6. Customer Information

- Customer information must be collected and used only for legitimate business purposes.
- Customer records must be stored in approved company systems.
- Sales personnel must not export customer data to personal accounts or unauthorized applications.

7. Ethical Sales Practices

- Employees must provide accurate information and must not intentionally misrepresent products, prices, competitors, or contractual terms.
- Bribery, kickbacks, or improper payments intended to influence a business decision are prohibited.
