

Financial Policy

Budgeting, expenditure controls, procurement, reimbursements, reporting, and audit requirements

Organization: Asterion Technologies Pvt. Ltd.

Effective Date: 1 January 2026

Document Status: Internal Policy — Version 1.0

1. Purpose and Scope

This Financial Policy establishes controls for budgeting, expenditures, procurement, reimbursements, cash management, financial reporting, and internal approvals at Asterion Technologies Pvt. Ltd.

It applies to all employees, managers, finance personnel, and approved contractors who initiate, approve, record, or review financial transactions.

2. Budget Management

- Annual departmental budgets shall be prepared by department heads and submitted to Finance by 15 November for the following financial year.
- Finance shall consolidate departmental submissions and present the proposed company budget to the Executive Committee for approval.
- Expenses exceeding an approved budget require written approval from the Finance Director before commitment.
- Budget transfers between departments require approval from both affected department heads and the Finance Director.

3. Expense and Reimbursement Controls

3.1 Business Expenses

- Reasonable business expenses incurred for authorized company activities may be reimbursed.
- Employees must submit expense claims within 30 calendar days of the expense date.
- Original invoices, receipts, or acceptable digital receipts must accompany claims above INR 1,000.

3.2 Approval Matrix

Expense Amount	Required Approval
Up to INR 10,000	Reporting Manager
INR 10,001–50,000	Department Head
INR 50,001–200,000	Department Head + Finance
Above INR 200,000	Finance Director + Executive Committee

4. Procurement

- Purchases above INR 50,000 should normally obtain at least three comparable vendor quotations.
- Purchase orders must be issued before goods or services are received unless Finance grants an exception.

- Employees may not approve their own purchase requests.

5. Financial Reporting

- Finance shall prepare monthly management reports by the 10th business day of the following month.
- Material accounting discrepancies must be escalated to the Finance Director within five business days of discovery.
- Financial records shall be retained according to the company's records-retention schedule.

6. Internal Controls and Audit

- No individual should control the complete transaction cycle from request through approval, payment, and reconciliation where practical.
- Finance may conduct periodic audits of expenses, vendor records, purchase orders, and departmental budgets.
- Suspected fraud or financial misconduct must be reported to Finance or the Compliance Officer.

7. Policy Exceptions

Exceptions require documented business justification and written approval from the Finance Director. Exceptions that create material financial or compliance risk may require Executive Committee approval.
